

**Stephen Grace**

**Principal Consultant Property Tax Services**

Stephen has over fourteen years of experience in real estate and business personal property valuation, property tax assessment, personnel management, business management, and administration. Stephen has supervised all facets of business personal property tax compliance including: data integration, configuration of fixed asst downloads, return preparation, bill and accrual functions, and client reporting. Stephen has achieved millions of dollars in property tax savings for clients by being proactive with client issues and by aggressively representing the client's interests in value negotiations.

Prior to joining BYGH Tax Consulting, Stephen was a former senior appraiser for the Dallas County Appraisal District in the personal property division as well as a Vice President at Duff and Phelps, Manager at Paradigm Tax Group as well as KPMG LLP and Arthur Andersen. Stephen is a certified licensed Senior Property Tax Consultant. Stephen received a B.A. in Finance and Economics from Texas Tech University.
